

NUMBERS CHAPTER 2 MAZE

N

Your job is to get the families from their tents to the tabernacle at the center of the camp. North is marked for you.

Start at the tribe's flag and find the tent next to the flag that looks different from the others. Draw a line around the tents to get to the tabernacle entrance.

A large maze grid composed of triangles. The tribes and their counts are arranged as follows:

- Top row: DAN (62,700), ASHER (41,500), NAPHTALI (53,400)
- Second row: BENJAMIN (35,400), MERARITES (6,200), JUDAH (74,600)
- Third row: MANASSEH (32,300), MOSES, ISSACHAR (54,400)
- Fourth row: AARON, KOHATHITES (8,600), ZEBULUN (57,400)
- Bottom row: GAD (45,650), SIMEON (59,300), REUBEN (46,500)

In the center of the maze is a diagram of the Tabernacle:

The diagram labels include: TABERNACLE, ALTAR OF BURNT OFFERING, HOLY OF HOLIES, ARK, BREAD, LAMP, and LAVER. A north arrow is also present in the diagram.
